ANNEXURE – 3**Particulars of Remuneration**

The information required under section 197 of the Act and the rules made thereunder in respect of employees of the company is as follows :

- (a) The ratio of the remuneration of each director to the median remuneration of the employees of the company for the financial year.

Explanation (a) the expression “median” means the numerical value separating the higher half of a population from the lower half and the median of the finite list of numbers may be found by arranging all the observations from lowest value to higher value and picking the middle one : (b) if there is an even number of observations, the median shall be the average of the two middle values.

Mr. A. Ravikumar Reddy, Managing Director	Mrs. A. Nina Reddy, Joint Managing Director
1 : 21.84	1 : 21.84

- (b) The percentage increase in remuneration of each Director, Chief Financial officer, Company Secretary if any in the financial year.

The percentage increase in remuneration of the Managing Director and Joint Managing Director during the financial year 2016-17 is furnished below :

Name of the person	% decrease in remuneration
Mr. A. Ravikumar Reddy	23.58
Mrs. A. Nina Reddy	23.58

The percentage increase in remuneration of the Chief Financial Officer is 2.07. The percentage increase in the remuneration of the Company Secretary 0.33%.

- © The percentage increase in the median remuneration of employees in the financial year : -1.37%
- (d) The number of permanent employees on the rolls of the company : 457
- (e) Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there any exceptional circumstances for increase in the managerial remuneration: The percentage increase in the salaries of employees other than the managerial personnel

in the last financial year is 1.44% as compared to the decrease of 23.58% to the Managing Director and Joint Managing Director. The increment given to each individual employee is based on the employees' profile, experience and also their performance and contribution to the company's growth over a period of time and also considering the inflationary conditions.

- (f) Affirmation that the remuneration is as per the remuneration policy of the company.

It is affirmed that the remuneration paid is as per the remuneration policy for Directors, Key Managerial Personnel and other employees, approved and adopted by the company.

-
- (A) No employee had drawn remuneration during the year 2016-17 in excess of ₹ 1,02,00,000/- (₹ 8,50,000 per month) in pursuance of Rule 5 (2) of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE & DEVELOPMENTS

Tourism is the right vehicle for a developing country like India which is on the path of modern economic growth through structural transformation of the economy. The value-added effect of tourism is increasing. Sustainable tourism has vast scope in India by convergence of landscapes with financescapes, technoscapes, and mediascapes. India's tourism industry has witnessed upsurge in recent years, paying rich dividends to both consumers and producers. The role of Tourism is essential in the economic development of a country. Tourism is the second largest foreign exchange earner in India. The tourism industry employs a large number of people, both skilled and unskilled. Hotels, travel agencies, transport including airlines benefit a lot from this industry. Tourism promotes national integration. It generates foreign exchange. It promotes cultural activities. Tourism also promotes the traditional handicrafts sector. The tourist gets an insight into the rich and diverse cultural heritage of India. India is one of the popular tourist destinations in Asia. India offers a wide array of places to see and things to do. The delighting backwaters, hill stations and landscapes make India a beautiful country. Historical monuments, forts, beaches, places of religious interests, hill resorts, etc. add to the grandeur of the country. They attract tourists from all over the world. India is probably the only country that offers various categories of tourism. These include history tourism, adventure tourism, medical tourism, spiritual tourism, etc. India has a composite culture.

The Indian government's "Incredible India" tourism campaign and the information technology growth in India have been attracting millions of foreign tourists and business tourists to India. Medical tourism has also recently mushroomed in India. Tourism industry is a big foreign exchange earner in India. A large number of hotel management colleges, sports and adventure clubs, beach resorts etc have also contributed to the growth and development of this industry. Emphasis laid on HRD is clear. Upgrading of beaches, airports, tax incentives were also introduced. Besides creating an official website for the Tourism Ministry, now the calendar of events is planned. Even the new initiatives to encourage the NRIs and PIOs, through visit India programmes, Pravasi Bharatiya Divas celebration, Dual Citizenship to certain categories of diasporic Indians have given much fillip to tourism in India. Thanks also to the booming IT and outsourcing industry a growing number of business trips are made by foreigners to India, who will often add a weekend break or longer holiday to their trip. Foreign tourists, generally spend more in India than almost any other country worldwide. The Tourism Ministry has also played an important role in the development of the industry, initiating advertising campaigns such as the "Incredible India" campaign, which promoted India's culture and tourist attractions in a fresh and memorable way. The tourism industry has helped growth in other sectors as diverse as horticulture, handicrafts, agriculture, construction and even poultry. India's governmental bodies have also made a significant impact in tourism by requiring that each and every state of India have a corporation to administer support issues related to tourism. The tourism industry of India is based on certain core nationalistic ideals and standards which are: Swaagat or welcome, Sahyog or cooperation, Soochanaa or information, Sanrachanaa or infrastructure, Suvidha or facilitation, Safaai or cleanliness and Surakshaa or security.

Our country has strong market and economic fundamentals. The hotel industry will continue to evolve and there are lot more changes to come. With the government initiatives to continue, demand will improve in our country; as India is the best placed among other nations globally. The hospitality industry growth is enabled by the expanding middle class, infrastructure development, increase in the international tourist arrivals and extension of e-Visa to many more countries. It is expected that supply – demand both will grow. Currently, the domestic demand / MICE drive the growth and this trend is likely to continue.

OPPORTUNITIES AND FUTURE OUTLOOK

Consumer facing technology will influence guest behavior. The growth in online booking has changed the consumer booking habits enormously. As we go forward, online bookings will significantly impact offline business, with mobiles playing an important role. At the guests front, digital is going to influence the guests in choosing a brand. The increased use of technology is more closely observed with increased use of mobile / apps. With consumers connecting the brand more through touch points like website, OTA site, social media, mobiles keeping with the technology change and new tools will be the key to success.

Tier 1 and Tier 2 cities are fast emerging as the next destination for corporate / leisure travel.

“Make in India’ policy of Central Government will result in more economic activity which will reflect in improvement in the hotel industry.

With the introduction of Good and Service Tax (GST) w.e.f. 1.7.2017, the taxes for Room Rent and on Food Sales are likely to come down resulting in lesser cost to the guests, thereby the company hopes that the business would improve to a certain extent. Further it is likely that the higher tax on five star and above category hotels will burden those category of customers thereby a shift may take place in favour of hotels.

The Company is in the process of upgrading the software systems for accounting to meet the requirements of GST in furnishing the information to the Government and complying with the rules and regulations.

Ease of doing business is an added advantage.

THREATS, RISKS & CONCERNS

Medical tourism has also recently mushroomed in India. Tourism industry is a big foreign exchange earner in India, yet the industry still is hampered by several problems like – Poor transportation Lack of basic hygienic amenities at halting points Non-standardization of rates and fares Lack of sound marketing and promotion strategies Poor maintenance of heritages Issues regarding security and harassment Lack of passionate and trained professionals Inadequate capacity Costly travel – soaring fuel surcharges, poor flight management etc Lack of supportive infrastructure – bad roads, improper health and hygiene, communication gaps, etc Gap between demand and supply of manpower Lapses in security and safety – incidents of tout and harassment of tourists in some places Uneven progress – slow growth of village tourism, lack of information about tourist profile etc Non Implementation of Legislative Law. Excessive formalities for an issue of special permit to view restricted areas sites. Tourism development projects are usually developed by Indian Government without any discussion with community leaders and they are dumped to follow the ineffective projects blindly. Poor Administration & management. Absence of alternate site nearby and fair and festival creates a bottleneck problem in crowd management. Lack

of entrepreneurship opportunities also restrict youth to follow a career in Tourism such as opening a hotel resort or retail outlet or handicraft business to serve Tourism Industry in India. The government is often unable to secure enough land for developing tourism infrastructure because it adversely affects local farmers. An instance of this phenomenon is Orissa. It is very essential to promote Brand India as a tourist destination nationally as well as at the state level. However the tourism departments are always cash strapped, there is general apathy towards work along with aging manpower never works in favor of brand promotion. What we need today is dynamic manpower that is committed to take up tourism as a career and work up to really explore that Incredible India as well as make India a safe tourist destination.

India should make the most of its topography, natural resources and labor to develop not only traditional products but also non traditional products of tourism. 2. Rural tourism should be a byproduct of Indian tourism. At the Same time eco-tourism for sustainable livelihoods must be encouraged. 3. Enhancing security, stepping up investment and boosting (world class) infrastructural activities should be on the top of the agenda. Service quality – in hotels, Airports, railway stations, etc – needs to be upgraded. 4. Proper market segmentation should be done on the basis of criteria like demographic, socioeconomic and geographic variables. Yet a holistic approach should be the objective to project an Incredible and Inclusive India. Commercialization should not result in dehumanizing tourism. 5. Education, research and training are crucial cogs in the wheel of tourism. HRD should be given priority. Adequate importance should be given to inductive research on historical importance and contemporary relevance. Tour operators, guides must develop a good rapport with tourists. From touring to learn we should move to learning to tour.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The company has in place an adequate internal control system. The controls have been devised to give a reasonable assurance with regard to maintaining of proper controls on accounting, operations monitoring, protecting the assets from unauthorized use or losses, compliances with regulations and ensuring reliability of financial reporting. The internal controls are supplemented by the programme of internal audit.

4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of directors, as well as evaluating the overall presentation of the financial statements.

6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("The Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the annexure 'A', a statement on the matters specified in paragraphs 3 & 4 of the Order to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

ANNEXURE 'B' TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

1. We have audited the internal financial controls over financial reporting of Savera Industries Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

i) **Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

j) **Segment Reporting**

The company's only business is Hoteliering and hence disclosure of segment wise information is not applicable under Accounting Standard (AS) 17 "Segment Information notified by the Company's (Accounting Standards) Rules, 2006. There is no Geographical segment to be reported since all the operations are undertaken in one geographical area.

k) **Leases**

Lease arrangements where the risk and rewards are incidental to ownership of an asset substantially vest with the lessee which are recognized as finance lease.

l) Earnings per share (EPS):

Earnings Per Share is calculated by dividing the Net Profit after Tax /Loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted Earning Per Share, the Net Profit /Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Taxes on Income:

Deferred Tax is computed in accordance with Accounting Standard 22 (AS-22) "Accounting for Taxes on Income". Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made on the tax liability payable on taxable income after considering tax allowances; deductions and exemptions determined in accordance with the prevailing tax laws. The differences between taxable income and the net profit before tax for the year as per the financial statements are identified and the tax effect of the deferred tax asset or deferred tax liability is recorded for timing differences, i.e. differences that originate in one accounting period and reversed in another. The tax effect is calculated on accumulated timing differences at the end of the accounting year based on applicable tax rates. Deferred tax assets/liabilities are reviewed as at each Balance Sheet date.

n) Impairment of Assets

Impairment is ascertained at each balance sheet date in respect of the Company's fixed assets. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value based on appropriate discount factor.

o) Accounting for Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized in terms of Accounting Standard (AS) 29 'Provisions, Contingent liabilities and Contingent Assets' when there is a present legal or statutory obligation as a result of past events where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent Assets are not recognized in the financial statements.

Income Tax Matters:
Assessment Year 2006-07

The Assessment was reopened beyond a period of 4 years from the end of the assessment year which in the opinion of company's tax consultants is not valid in law. The Writ Petition filed by the company in the Madras High Court questioning the validity of the reopening was dismissed along with other appeals though the reasons for reopening the assessment were different from other cases. The Writ filed by the company before the Supreme Court and the same was disposed off by the Supreme Court directing the High Court to dispose off the case on merits

In the meanwhile, Assessing Officer(AO) completed the assessment demanding Rs.30.96 lakhs. The appeal filed against this before the CIT (A) was decided in our

favour. Against this, CIT (A)'s order, department filed an appeals before the ITAT. The same was decided by ITAT in favour of the Company.

Assessment Year 2010-11

The Commissioner of Income Tax passed an Order under section 263 setting aside the earlier assessment to consider the allowability of renovation expenses and pre-operative expenses aggregating to ₹ 143.36 lakhs. The appeal filed before the Tribunal was decided in our favour. It is not known whether the department filed an appeal in the High Court. The department filed an appeal before the High Court of Madras and the company understand from the council that the case was disposed off by the High Court in our favour in the open Court but the order is yet to be received.

Assessment Year 2012-13

AO disallowed the expenditure of ₹ 63.96 lakhs resulting in a demand of ₹ 19.77 lakhs. The appeal filed before CIT (A) was decided in our favour. The department filed an appeal before the ITAT. The same was decided by ITAT in favour of the Company.

Proposed Dividend

The Board of Directors have proposed a final dividend of ₹ 1.5 per equity share amounting to ₹ 2,15,34,453 /- inclusive of corporate dividend tax. The proposal is subject to the approval of shareholders at the Annual General Meeting. In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance Sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March 2016, proposed dividend is not recognized as a liability as on 31 March 2017. Accordingly, the balance of Reserves and surplus is higher by ₹ 2,15,34,453 /- (including corporate dividend tax) and the balance of Short term provisions is lower by an equivalent amount as on 31 March 2017.
